Tropical Ghana Launches New Website

New York, NY – Tropical Ghana Cookbooks today launched its new website, at <http://www.tropicalghana.com>. The redesigned website highlights Tropical Ghana's new simple and fun approach to cooking by offering visitors a user friendly experience and easy to navigate web pages.

"It's all about unique user experiences these days," says Charles Cann, Founder of Tropical Ghana. "For us at Tropical Ghana, we believe our new journey in cooking is about making life simple and fun. We strive to do that with our new website too."

The launch of the new website kicks off the official relaunch of Tropical Ghana Cookbooks as Tropical Ghana and the project's fifth anniversary celebration, which falls on December 15, 2011.
